PROTECTING THE NATURAL BEAUTY OF WOOD

COLOUR CARD

THE INNOVATIVE WAX CREAM FOR A LONG-LASTING, BREATHABLE, AND WATER-REPELLING PROTECTION OF WOOD

Outdoors, it's vital to treat wooden surfaces with the right product. After all, you want the wood to look good for a long time. **Rubio WoodCream** is based on hydrophobic technology especially developed for maximum wood protection. Its unique and active self-cleaning formula intensely nourishes the wood, preserves the breathable structure, and makes it water-repellent. And the beauty of it all: the wax cream comes in a wide range of colours and brushes smoothly.

A joy to work with and a feast for the eyes!

Rubio WoodCream Softener allows you to decrease the colour intensity of the Rubio WoodCream colours to achieve a more transparent effect. Rubio WoodCream Softener also offers the solution for fans of an instant aged look: choose a colour from the Grey Collection and mix it with this product. Moreover, Rubio WoodCream Softener is the ideal partner for maintenance solutions on Rubio WoodCream surfaces.
